Dear Bobbi Rosenquist,

We greatly appreciate your contribution to our "Honor a Hero, Hire a Vet" Job and Resource Fair, which was held on September 17, 2008. It was generous of your organization to make the donation of \$2,000.00, in support of our outreach efforts to the Veteran job seekers and the community at large.

Largely because of your support we were able to extend our outreach efforts to job seekers in the community. Needless to say, the event was a huge success. Our job seekers and employers were very pleased with the outcome of the event. Employers made positive comments about the amazing turn out of job applicants, and job seekers were grateful for the opportunity to meet and speak with employers. Overall, it was a win-win for everyone involved including our staff.

On behalf of the Employment Development Department (EDD) and the Oxnard Workforce Services office, thank you so much for all you have done for us and for supporting our men and women in uniform.

Sincerely,

Mary Navarro-Aldana, Manager  
Employment Development Department  
Oxnard Workforce Services
